

Annual Serious Hazards of Transfusion (SHOT) Report 2019: Webinar Launch 7th July 2pm

The Serious Hazards of Transfusion (SHOT) team are excited to announce the launch of the 2019 Annual SHOT Report via Zoom webinar!

The webinar is free to access and will last approximately 1 hour and will include:

A webinar presentation covering a summary of the 2019 Annual SHOT Report: This will include the headline data, highlights and key recommendations from the 2019 Annual SHOT Report (approximately 30-40 minutes)

A question and answer panel: Attendees will be able to submit questions using the 'Q&A' facility throughout the session, which will either be answered live in the webinar, or replied to by the panel of SHOT Specialists

Live illustration by artist Jenny Leonard (<https://twitter.com/jennyleonardart?lang=en>), capturing the key messages communicated

An excellent opportunity for CPD through reflective practice

The webinar will also be recorded and available following the session, where it can be used as an educational resource.
