

# The UK's first blood transfusion information app for patients

Co-created with  
insights from  
transfusion  
recipients

## DOWNLOAD THE APP

How to download:

The easiest way to download the **My Transfusion** mobile app is to scan one of these barcodes. You can also search for 'My Transfusion' in the Apple App Store or Google Play Store.

# Looking for information in a web page format?

Visit [mytransfusion.co.uk](http://mytransfusion.co.uk)  
or scan the QR code below:

---

You can also visit the 'Information for patients' web page on the SHOT website [www.shotuk.org/patients](http://www.shotuk.org/patients) to find out about:

- Taking an active role in your transfusion care
- Guidance about consent in transfusion
- Many more interesting transfusion safety topics
