

# Donor Haemovigilance Hub:

## Advancing safety together

**Tuesday, 24th February 2026, 12:00-13:00 GMT**

**1**

A **45-minute overview** of the Donor Haemovigilance Hub followed by **10-minute Q&A**: outline, available resources and feedback

**2**

**Who should join?** All staff involved in blood donation, donor haemovigilance and donor safety. To get the most out of the session, please have a look at [Donor Haemovigilance Hub](#)

**3**

**Why join?** Explore a comprehensive compendium of donor haemovigilance resources and learn best practices for enhancing donor safety

**4**

The webinar **is free to attend** but prior **registration** is required. Webinar will be **recorded** and available on the SHOT website

**Join us for an interactive session on MS Teams**
